

Lead. Don't Follow.

On top of the world's highest mountains. Working with the best outdoor athletes and NATO Forces on some of the toughest expeditions on earth. That's where Berghaus has been for over 40 years. So when it comes to performance wear, we know what matters.

Wherever you're going, trust Berghaus.

#### Vulcan

The packhorse of the Berghaus rucsac range used by special forces throughout the world. It's huge 100 litre carrying capacity means the Vulcan is for those on very extended journeys where re-supply is not possible.
